Support Breast Cancer Awareness Month by Patronizing our Pink Partners!

In honor of National Breast Cancer Awareness Month, the Breast Cancer Assistance Group of Monterey County (BCAG) is partnering with local businesses to raise funds and awareness to enable BCAG to help local breast cancer patients experiencing financial hardship due to their diagnosis and treatment.

One hundred percent of every dollar donated through BCAG's "Pink Partners" promotions with local businesses will go to help local breast cancer patients with food, housing and transportation needs.

BCAG is encouraging the public to show their support for this important cause by patronizing the following businesses and purchasing their special "Pink Partner" items

Please visit our website to learn more about BCAG and how you can help support local women going through breast cancer treatment.

Sincerely,
Jane Sullivan

Thank You

In our last fiscal year BCAG helped over one third of the women in Monterey County undergoing treatment for breast cancer. We'd like to share with you a few of the grateful responses we have received from women who have benefited from your generous donations.

"Being a newly single mother of a seven year old and being diagnosed twice with breast cancer within sixteen months, I was overwhelmed to say the least. BCAG has provided me with great support during my battle. I am so grateful to be among this wonderful community that can help people like myself in a time of need."

Thank you BCAG!

Nadine N. Mancuso
Monterey, CA

"The BCAG has been alongside me with care and compassion to alleviate my emotional and financial burden throughout my cancer diagnosis. My family and myself are forever grateful for the BCAG's unconditional support."

Josie Monsivais
Salinas, CA

"Treatment for breast cancer can be overwhelming, physically and financially. BCAG made it possible for me to afford therapies and supplements recommended by my doctor. I wouldn't have been able to do this without BCAG's help. I will always be grateful to them for their kindness and support."

Dorothy (Dottie) Baker, Seaside, CA
